

Ref. No. : IG/SRC/ADMN/Digital/16/
Date : 30.12.2016

Sub : e-Kranti Volunteer for Digital Society

Dear Learner,

Wish you and your Family a Warm and Prosperous Happy New Year 2017.

Today we are in the midst of a digital or cashless society. Come; let us all be Digital. Indira Gandhi National Open University (IGNOU) is again at your doorsteps with an innovative initiative which will give you the power to handle a digitalized environment and walk together with the people doing digital financial transactions.

The dream of cashless society has been the unique thought of Hon'ble Prime Minister and is being realized by the *Vittiya Saksharta Abhiyan* (VISAKA, Financial Literacy Mission) for building digital competencies of the society of MHRD. IGNOU has also taken a lead by harnessing the strength of its learner base to train families ensuring cashless transactions in their day-to-day life.

To achieve this , IGNOU learner will be first trained on digital transaction methods through a half day workshop being organized at IGNOU Regional Centre Siliguri. The date of workshop will be intimated to the selected learners on a later date. The training will be provided by an official of Union Bank of India. After training, IGNOU learner will be known as **e-Kranti Volunteer** and they will have to register themselves on the central government portal.

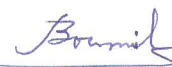

The **e-Kranti Volunteers** will be provided an official letter from the Regional Centre designating them as **e-Kranti Volunteer** and each volunteer will have to visit at least 20 families of their area and train the families on how to do cashless transactions and also opening a bank account, if required. The **e-Kranti volunteer** will be provided 20-30 Booklets "**Aao Ham Digital Ho Jaye**" free of cost which will enable them to perform their work effectively.

After completion of their work, all the **e-Kranti Volunteer** will be given a "**Certificate of Appreciation**" signed by the Regional Director.

The interested students are requested to fill-in the form attached with this letter and post it back to IGNOU Regional Centre Siliguri **on or before 10th January, 2017**. They can also show their interest of becoming e-Kranti Volunteer through email on email id: rcsiliguri@ignou.ac.in or rcsiliguri45@gmail.com prior to **10th January ,2017**. **Only 100 learners will be selected on first-cum-first serve basis.**

Looking forward to your active participation and cooperation in "NATION BUILDING."
Thanking you,

Yours sincerely,

(Dr. Biswajit Bhowmik)
Regional Director
